INFORMATION FOR STUDENTS AND PARENTS / CAREGIVERS

ASSESSMENT REQUIREMENTS FOR THE HIGHER SCHOOL CERTIFICATE SHORTENED GUIDE

Students are expected to make a genuine attempt to complete all class work set and attend lessons on a regular basis.

The following is a shortened version of the ACER Guide to Assessment for the New South Wales Higher School Certificate.

A more comprehensive guide, in the form of the Corowa High School Whole School Assessment Policy, will be sent electronically to all Senior students and their parents/carers.

Copies can also be located on the school website and hardcopies can be viewed in the waiting area of the Administration Block or in the Library.

1. Students will be given written or electronic notice of assessment tasks 2 weeks' before Assessment Tasks are due.
2. Late completion and/or submission of Assessment Tasks will be awarded 'zero' marks and an 'N' Award warning letter will be issued.
3. Assessment tasks **must be submitted before 9am of the date due, unless stipulated on assessment notification** or an 'N' Award will be issued.
4. If a student is unable to attend the day a task is either due or to be attempted the school must be notified **before 9am** of the due date or an "N" Award warning will be issued.
5. All absences that occur on the day of an assessment task being due must be supported with a medical certificate or an 'N' Award warning will be issued.
6. Technology failure is **not** an acceptable reason for a late assessment task.
7. Plagiarism of any sort will result in either a reduction of marks or in serious cases an 'N' Award for that task will be issued.
8. If a teacher decides that a student has failed to make a serious attempt to complete an assessment task no marks will be assigned to the task and an "N" Award warning will issued.
9. 'N' Award warning letters will be sent to parents before an "N" Award will be issued for any tasks.
10. **NOTE: ALL Body of Work projects must be kept at and completed at school from the date stated on the Assessment Schedule until the lock up date. Failure to do so could result in the certificate of completion not being signed off by the supervising teacher.**

APPEALS

In the case where a student considers they have a genuine reason for appealing an 'N' Award they should submit a written appeal to the **Head Teacher** of the faculty concerned.

Further appeals can be made to the **Principal** in the cases where students are unsatisfied with the Head Teacher's decisions.
