

## Corowa High School – Bring Your Own Device

Corowa High School allows students to bring their own digital devices from home for educational use within their classes.

Students will be able to bring in their own device or borrow a laptop or tablet from the school's library for use in class.

If a device is brought in from home, it should be suitable to assist with the learning activities of specific classes.

Students and their parents must read the agreement over page carefully and return to Mr Lavis before they bring any digital device from home to school.

*Additional information including policy documents, frequently asked questions and information relating to hardware and software can be found on our website at:*
