

WE WANT YOU FOR OUR SCHOOL CANTEEN!

Volunteers needed!

Students are excited about our new canteen menu and with so many delicious options available at recess and lunch times, sales have sky-rocketed! As such, we are looking for more parents and school community members to volunteer in the school canteen.

Your commitment could be once a week, once a term, or as often as you are available. Call our canteen coordinator, Kathy, for further information on (02) 6033 1167.

What's Coming Up?

25 June	Explore Day at CSU Wagga Wagga
27 June	Zone athletics carnival
28 June	HSC Science study day (Albury)
4 July	Junior Principal's breakfast
5 July	Last day of Term 2 (all students expected to attend)

Principal's Report

with Dr Joanne Bellette

Principal's breakfast recognising student achievement

Last week it was a pleasure to host our first Principal's Breakfast of 2019 with 15 outstanding Senior students. These students, selected from a very competitive cohort, were chosen on the basis of their outstanding results in their senior studies to date.

As leaders within our student community, they are amazing role models for our juniors and embody the values that we hold dear around respect, responsibility and achievement. Also in attendance at the breakfast was Mr Le Lievre, Mrs Delaney, Mr Douglas, Mr Francis, Mrs Stewart and Ms Bridges, who were invited for their efforts and unwavering support of our Senior cohort. Congratulations to our Senior invitees and I look forward to hosting the Principal's Breakfast for junior students in Week 10 of Term 2.

Unwarranted physical contact

At a number of assemblies over the last two terms, Mr Le Lievre and I have spoken to students about my expectations around behaviour at school. A simple message which we continue to tell students is that whilst unwarranted physical contact is rare at Corowa High School, it is always unacceptable.

Comradery and friendship can be demonstrated in any number of ways that don't require students make physical contact with one another at school. These behaviours can too easily escalate with unanticipated results. Students observed engaging in unwarranted physical contact will be referred to the Deputy Principal and further consequences will follow. We will continue

to remind students about our high expectations with regard to behaviour and how these expectations conform to our school values of respect, responsibility and achievement. I also encourage our parents to discuss these expectations with their children.

Updating communication infrastructure

We are always striving to improve our communication with our parents and the broader Corowa community and it is, therefore, with some excitement we can announce the arrival of our new electronic signs at the front of the school. These signs will detail upcoming events and celebrate our student's achievements, but they are just one of the ways in which we communicate with our parents. If you haven't yet joined our Facebook page or liked our Instagram page, please do so as we are keen to keep you updated on your child's school-life.

We want you for our school canteen!

The recent transformation of our school canteen has been an amazing success with students eagerly seeking hot and cold food that is prepared by the amazing Kathy. The challenge, however, is that our canteen has become so popular we are now in desperate need of additional helpers.

Whilst we understand that many parents have work commitments, you may know of a grandparent who is willing to give up one day a month to help at the school. Alternatively, if you or someone you know is over 55 and looking for a way to meet your 'Mutual Obligations' as part of your Newstart allowance, please contact Kathy to discuss how you can volunteer in our school canteen.

Making Physics fun!

Senior Physics used nerf guns to investigate projectile motion last Friday!

Woodworkers roll the dice

Mr Bird's Year 7 Technology Timber class made playing dice in class recently!

Breakfast with the Principal

Dr Bellette invited 15 Senior students to join her for a complimentary breakfast last Thursday in recognition of their outstanding effort in their Senior studies. Students who attended the breakfast are currently ranked first and second in their Senior classes.

Well done on all of your hard work!

Stage 5 Timber make toolboxes

Our Stage 5 Technology Timber class have been working on timber toolbox carry-all's this week!

Pikelets, anyone?

Miss McCleary's Year 7 Technology Food class whipped up a delicious batch of pikelets for breakfast last Friday!

Discovering Engineering

Matthew Sutcliffe, Isaac Wenke and Max Blockley attended the Discovering Engineering day at Koorindal High School in Wagga Wagga on Tuesday.

They picked up many useful tips to aid them in their careers paths and put their skills to the test in a number of challenges including the design and creation of a prosthetic leg using limited resources.

Did you know that you can pay for school costs online?

It is called a Parent Online Payment (POP) and it's easy!

Go to www.corowahighschool.com.au and click on the 'MAKE A PAYMENT' button on the utility bar at the very top of the page. From there, a Westpac QuickWeb payment page will open. Simply fill out the required information and have your credit or debit card ready.

Things to remember:

- Payments for multiple students need to be processed individually.
- Students still need to return the permission notes to the front office - an online payment does not constitute permission to participate.
- Late payments can affect cut off dates/times for events. Please be aware that any payments made after 6pm on a business day will not be received at the school for 48 hours. Payments made before 6pm will be received the next day.

Please take advantage of this fuss-free payment option!

www.corowahighschool.com.au

Commerce class join RFS

As part of their studies on 'Community Participation', students from our Year 9-10 Commerce class have recently joined the Rural Fire Cadet program. Students have been fitted out with their own uniforms and are learning many of the skills that are essential for those aspiring to become a volunteer fire fighter.

What is scoliosis?

Scoliosis is the word used to describe the most common type of spinal curvature. Scoliosis is simply a descriptive term, like headache, and not a precise diagnosis.

When a scoliosis develops the spine bends sideways and rotates along its vertical axis. These changes have cosmetic and physiological effects, with long-term

consequences which may result in significant health problems with severe curves.

For more information, please see the Scoliosis Australia fact sheet on adolescent scoliosis via the link below:

https://www.scoliosis-australia.org/wp-content/uploads/Self-Detection_FactSheet.pdf

TERM 3

SPORT BUS PASS

FOR STUDENTS CATCHING THE BUS TO SPORT EVERY WEEK

Paying with cash for the Wednesday sport bus is a thing of the past.

Purchase a Sport Bus Pass by the end of Term 2:

- Purchase your pass for \$30
- The pass will cover all Wednesday sport bus trips for Term 3
- Never worry about carrying cash for the bus again!

Students attending an offsite Wednesday sport must purchase a bus pass.
Cash will no longer be accepted each week.

Emerging

Engage with your healthy self

Emerging is a no-cost, eight-week program offering skills to address positive thinking and feelings about your body and food. It includes topics such as: The stages of change, Intuitive eating, Relaxation, Self-care, Body image and Boundaries.

"Emerging" is open to any individual between 18 and 25 who is experiencing disordered eating and/or an eating disorder and who is motivated to recover.

However, for the safety and well-being of all attendees, we do set some minimum wellness criteria.
