Year 12 graduation ceremony to go ahead

I'm pleased to announce that Corowa High School will be holding a Graduation Ceremony for our Year 12 students to celebrate the end of their high school education. The ceremony will be held at the RSL Club on Tuesday 17 November and attendance limits will be in line with COVID restrictions and NSW Department of Education guidelines; but students, staff and parents will be able to attend. Tickets will go on sale early next term.

2021 student leaders announced

Student leaders at Corowa High School can be found in every year group and every space – in the classroom, the playground, the sporting field and in the bus lines. They are the students who are role models to others, those who offer a helping hand and wise counsel, they are the quiet leaders who are a moral compass, and the loud voices who inspire others to speak up when their voices count. Our student leaders provide a link between our school and community at ANZAC Day and Remembrance Day ceremonies, and whilst today they are the leaders of our school... tomorrow they will be the leaders of our communities. At Corowa High School we encourage our student to aspire to these important leadership roles and it is with pleasure that today we announced our student leadership team for 2021 via a video on our Facebook page. Well done to all of the nominees and congratulations to the following students who were elected Corowa High School captains for 2021: Rebecca Upton (Captain), Darcy Griffin (Captain), Angela Craft (Vice Captain) and Maxim Blockley (Vice Captain). As for our junior leaders, congratulation also to the

following students who have been elected into the 2021 Student Representative Council: in Year 8, Jett Cofield, Shanae Habermann, Timothy Haswell and Imogen Lake; in Year 9, Eloise Black, James Frazer, Isabella Macartney and Joshua Williams; in Year 10, Caitlin Baker, Carter Read, Lachlan Robinson and Jake Shipard; and in Year 11, Rebecca Carroll, Lachlan McKenzie, Hannah Ryland and Zak Sartore. There are also 3 additional places on the SRC reserved for nominees from the school Senior Executive, these students are: Amanda Hemphill, Isabel Bush and Tayah Wynne.

Farewell Mr Bowers

It is with great sadness that this week we farewell Mr Bowers. Mr Bowers has worked at Corowa High School for almost 30 years and his influence has been felt far and wide. He is held in high esteem by students, parents and staff alike for his wonderful mathematical skills, but more than that, he will be remembered for his fantastic ability to make mathematics 'real' and something students could see and connect to their everyday lives and their future career pathways. Mr Bowers and his wife, Jules, are planning a move to the Illawarra and are looking forward to enjoying the beaches and coast sea breezes. I'm sure you will join me in thanking Mr Bowers for his outstanding contribution to the education of our students at Corowa High School and wishing him all the best. Congratulations must also go to Mr Kenneth Walkinshaw who has been appointed our next Head Teacher Mathematics at CHS.

Wishing everyone a safe, relaxing and enjoyable holidays and I'm looking forward to seeing you all again in Term 4.

Over \$9000 raised for the Leukaemia Foundation

Congratulations to Jack, Carter, Will, Damir, Thomas, Jacob, Bailey, Frankie, Hayden, Ryan, Jacob and Blake for their dedication to fundraising for the Leukaemia Foundation through the World's Greatest Shave. Through school and private fundraising efforts, the boys have raised over \$9000.

With most of the student body looking on, the 12 boys shaved their hair on Wednesday in spectacular fashion. You can see the video on our Facebook page.

Senior Design and Technology Major Projects

Check out these fantastic projects which were submitted for HSC marking by our Senior Design and Technology students. We're very proud of their efforts and wish all of our senior students good luck with their HSC examinations.

New uniform in 2021

We are excited to showcase our new 2021 school uniform! Senior students may begin wearing new uniform items from Term 4, Week 6 and juniors will adopt the new uniform from Term 1, 2021. There will be a two year phase-in period and if junior students need to update their summer uniform before Term 1, 2021, they too may begin wearing the new uniform from Term 4, Week 6. All uniform items may be purchased at Brunella Schoolwear on Sanger Street, Corowa. View full details of uniform items on our school website -

Senior Industrial Technology - Multimedia Major Projects

As part of the HSC course in Industrial Technology - Multimedia Technologies, students completed a Major Project that involved the creation of a digital media product and an accompanying management folio. Great work, guys!

Butter chicken, anyone?

Year 9 Food Technology students whipped up some delicious butter chicken in the kitchen last week!

Farewell Mr Bowers

Today we said farewell to beloved Head teacher of Mathematics, Mr Bowers. After 30 years of teaching at Corowa High School, he will move to the Illawarra.

Good luck Mr Bowers, we will miss you!

Year 12 explore genders

Our Year 12 students surprised the rest of the school when they dressed up as the opposite gender on Friday!

Free pancake breakfast

Our school chaplain, Ms Jongeneel, and a small army of helpers organised a free pancake breakfast for all students on Friday. Thanks to all involved!

Great performance by Year 8 debating team

Well done to our Year 8 debating team for their fantastic effort in their recent debate against Tumut High School. Competing via video link, students debated against the topic of 'Teachers should get a bonus for good student results'.

Unfortunately, they did not come out on top, but they did improve vastly on their techniques. Keep up the great work!

A message from School Captain, Blake Pavey

Over the past 12 months, I have proudly held the position of Corowa High School Captain and as I look to leave that role, these are a few key observations I'd like to make.

I believe Corowa is a kind and inclusive community where people are welcomed and their contributions are recognised. This too is true of Corowa High School and the importance of the egalitarian spirit has never been more evident than this year of social isolation.

Every student is seen and heard in our school and those who struggle find support and assistance in friends, staff and older students. As a school, we have zero tolerance for bullying. This stance against bullying has

always stood as something that Corowa High School values very highly.

So, to the next generation of students and school leaders, I implore you to speak out when you see or hear bullying. 'Helping can be as simple as talking and listening, offering guidance and support, asking staff to become involved or using any one of the many support services available via phone and website, such as:

- Kids Helpline
- Beyond Blue or
- R U OK

Thanks and good luck for the future.

Manyana on the path to becoming a teacher

Manyana Ost has just completed a week of work experience at Corowa Public School where she has been very busy in the Kindergarten room. She has had an awesome week helping the students with their work and staff have said that she is a “natural” born teacher. This work experience is a prerequisite to being considered for a School Based Traineeship/Apprenticeship (SBAT) with the school, which if accepted into, Manyana will commence in 2021.

As this SBAT is being funded by the NSW Department of Education, Manyana was given special permission to undertake the work experience. Congratulations on your very successful placement Manyana. We would like to thank Sharelle Baily and Carmel Grigg in particular for allowing Manyana to be a part of their staff this week.
